MEMBERSHIP APPLICATION FORM

Membership in the Elizabeth Fry Society of Ottawa is open to individuals or institutions supportive of the aims, objectives and principles of the Society:

- A caring, egalitarian society for all, demonstrated by a focus on women who are or may be at risk of coming into conflict with the law. As a society, we all share a responsibility to help eliminate conditions that are detrimental to women and can lead them into conflict with the law.
- The needs and circumstances that lead most women into conflict with the law are different from those of men, and as a result, responses of the criminal justice system and community services and supports must be unique as well. Incarceration should only be used as a last resort. The use of alternative measures, based in the community, should be maximized.

**I declare that I support the aims/objectives and principles of the Elizabeth Fry Society of Ottawa and would like to apply for membership.**
