Welcome!

E Fry Ottawa is committed to employment equity, actively seeks diversity in the workplace, and welcomes and encourages applications from members of equity seeking groups including women, transgender, non-binary, and LGBTQ+ individuals, First Nations, Métis and Inuit individuals, persons with disabilities and members of racialized and marginalized groups.

About E Fry Ottawa

The Elizabeth Fry Society of Ottawa is a not-for-profit community agency that supports and advocates for women, gender-diverse people and men impacted by the justice system. We provide a diverse array of community-based and residential programming. Our work is aimed at reducing harm and oppression, supporting people to overcome barriers to reintegration, and empowering them to build a life of stability and resiliency. We are a feminist organization committed to working from a human rights and anti-oppression perspective, recognizing systemic barriers that lead to marginalization. We work with trauma-informed, person-centred principles to promote a respectful, diverse, and inclusive environment that promotes healing, recovery, and successful reintegration. E Fry Ottawa is a unionized workplace.

Our Community Counsellor...

- Works within a multi-disciplinary team to provide counselling and support services to women and gender-diverse people who are experiencing mental health and substance use challenges
- Provides Life after Trauma programming and one-on-one counselling to women and gender-diverse people in the community
- Provides Relapse Prevention programming to women and gender-diverse people at the Ottawa-Carleton Detention Centre and makes appropriate referrals for individuals motivated to attend a treatment program upon release

Core Responsibilities

Intake and Assessment

- Complete client intakes and assess client needs and determine service goals
- Conduct ongoing assessments with each client to determine appropriate interventions
- Complete addictions screening and assessment tools with clients as part of their treatment program goals

Program Facilitation

- Provide Life after Trauma programming to women and gender-diverse people via group or individual sessions
- Provide Relapse Prevention programming to women and gender-diverse people at the Ottawa-Carleton Detention Centre via group or individual sessions
- Ensure material presented is empowering and individual needs are considered in the presentation of skills development
- Maintain accurate records and case notes of client's attendance, participation, and progress
- Provide on-going assistance, feedback, and support to participants consistent with their goals and determinants of success
- Provide resource referrals, crisis intervention, conflict resolution to group participants.
- Provide completion reports to referring professionals (Probation and Parole Officers, Courts, Defense Counsel)

Ongoing supports/responsibilities

- Provide therapeutic clinical counselling services to clients in designated programs
- Provide crisis intervention strategies using a human-centered, trauma-informed approach
- Liaise with community partners and other agencies in a manner that promotes the agency's reputation and facilitates quality care for shared clients
- Develop and maintain collaborative relationships with key supports and resources in the mental health and addiction service sectors
- Liaise with treatment centres/professionals and provide appropriate referrals
- Initiate and participate in individual professional development; maintain current knowledge and skills in relation to addiction, mental health, and evidence-based therapeutic approaches
- Assist in the evaluation of participants success and evaluate program effectiveness
- Advocate for clients and liaise with community-based agencies as needed
- Maintain accurate case notes and correspondence
- Attend and participate in staff meetings and professional development sessions as required

Other responsibilities

The Community Counsellor – Mental Health and Addictions Services attends monthly staff meetings and case management meetings as required and undertakes other duties as may be assigned by the Manager, Community Programs and Services to improve or enhance the delivery of service. The position requires ongoing input and maintaining of statistical information for monthly and quarterly reporting purposes. All E Fry Ottawa staff are responsible for promoting and delivering on the mission, vision and values of our organization.

Qualifications

Required education and experience

- College Registration: QRP, RP, MSW or Eligible to be registered with the College of Registered Psychotherapists of Ontario - or the Ontario College of Social Workers and Social Service Workers (and authorized to perform the controlled act of psychotherapy), or the CCC with the Canadian Counselling and Psychotherapy Association
- 1-2 years of recent experience providing counselling and group facilitation to women and gender-diverse people
- 1-2 years of recent experience working in the mental health and addictions sector providing direct care/ case management services
- Experience engaging and collaborating with vulnerable populations who are involved in the criminal justice system
- Experience in the delivery of structural and strength-based programming
- Experience working with marginalized women and/or communities who face multiple barriers such as poverty, systemic discrimination, disproportionate criminalization, and housing instability
- Experience developing and implementing case management plans
- Valid First Aid/CPR, Non-Violent Crisis Intervention (NVC) and ASIST certification considered an asset

Required knowledge, capacity, and commitment

- Demonstrated knowledge of general counselling principles and intervention techniques
- Knowledge of clinical assessment tools with experience conducting substance abuse assessments & mental health assessments
- A demonstrated ability to exercise strong decision-making skills and deal with unpredictable situations
- A solid understanding of factors that contribute to individuals' involvement in the criminal justice system and the systemic causes of the over representation of women and gender-diverse people with mental health and addictions issues in the criminal justice system
- Thorough knowledge of mental health and addictions supports, treatment options and other social service supports/ resources in the Ottawa area
- Excellent interpersonal skills and ability to establish and maintain trust relationships
- Strong motivational interviewing skills and crisis intervention skills
- Excellent verbal and written communication skills
- Experience in working with clients who are experiencing trauma, particularly PTSD, as well as having substance use disorder(s) is essential
